Education

MEng in Design Engineering - Imperial College London: **Upper Second Class Honours**

A-Level - Cardinal Vaughan Memorial School: Product design (A*), Maths(A*), Physics (A)

GCSE - Cardinal Vaughan Memorial School: 9,9,9,8,8,8,8,7,7,7,7

Experience

UI/UX Researcher - Teamviewer, Germany **Apr 2025 to Sep 2025**

- Organised, conducted, recorded user interviews globally to improve user experience across a range of products.
- Analysed Looker user data to improve efficiency and workflows.
- Redesigned the user research platform to a more modern look.
- Improved LLM integration into data summary and analysis while ensuring GDPR compliance.
- **Two letters of recommendation available upon request.**

Treasurer and Waterpolo Coach - ICSMWP, London **Sep 2025 to Aug 2026**

- As treasurer, I managed the club's different funds, organising payments for matches, referees, events and transport.
- Won the London Cup and LUSL League, together with being the first team to ever win all 3 Varsity matches.

Multirole - Oi Vita, London **Jun 2024 to Dec 2024**

- This job involved various tasks, but most were focused around preparing pizza, and tending the bar.
- The high pace (up to 400 pizzas a night) and my ability to deal with it allowed me to make a real impact for the restaurant.

Electronics Expert - Ideas Lab, London **Sep 2024 to Apr 2026**

- Maintained and ensured safe use of the electronics section of the lab, training users around propers usage and soldering techniques in classes up to 12 people.
- Maintained 24 3D printers in the lab (including resin) and managed the stock of over 96 different components.
- Learnt basic PCP design and manufacture.

Social & Tour Secretary @ ICSMWP, London **Sep 2023 to Aug 2025**

- As Tour Secretary, I organised matches, travel and accommodation in both Brighton and Barcelona for 50 people.
- As Social Secretary, I was in charge of organising social events up to 45 people, ensuring all payment matched VAT requirements, while ensuring health and safety.

Experience

Barback - O'Ver, London **Jun 2023 to Sep 2023**

- Managed inventory, prepared supplies for service, served customers and cleaned, fostering a strong work ethic focused on preparation and efficient service.

Assistant Teacher - St Joseph's Primary, London **Jun 2019 to Jun 2019**

- Part of the work experience required for all students finishing secondary school in the UK.

Student Workshop Manager - CVMS, London **Sep 2020 to Aug 2022**

- Managed machine setup and maintenance, trained students on how to use them safely.
- Learnt how to integrate multiple manufacturing processes to achieve high-quality results and experience in FDM and SLA 3D printing and laser cutting.
